

Wednesday On the Wharf is an open community concert event where people of all ages gather at Marine Park in Salmon Arm to meet up with friends, soak up the evening sun, and celebrate live music.

Thank you for showing interest in performing at this year's WOW, which will consist of twelve Wednesdays from June 15 to August 31. Concerts run from 6:45pm until 8:15pm with all setup required by 5pm.

The Arts Council encourages artistic excellence by selecting musicians who are original artists. Concert sets must contain a minimum of 50% original content. Bands must also be made up of at least three members. The large outdoor venue is not suitable for solo or duo musicians.

To help with selection and scheduling, the enclosed form must be submitted by mail or hand to our office by no later than February 27, 2016. Please ensure that you answer all appropriate questions. Incomplete applications will not be considered. Along with the form, applicants must submit an EPK or CD.

After reviewing all applications, our director will prepare a schedule to produce a balance of music styles over the season. Following a review and final approval by the committee, a performer's contract and a copy of the policies related to our concerts will be forwarded to the selected applicants. The schedule is finalized by early May.

Questions can be forwarded by email to the Arts Council office.

Yours sincerely,
Board of Directors
